

International Conference on Nuclear Physics and Applications (ICNPA-2024)

21 -25 October 2024

University of Delhi, Delhi -110007 INDIA

The International Conference on Nuclear Physics and Applications (ICNPA-2024) will be held in the University of Delhi, INDIA from 21-25 October 2024. The conference aims to bring together people working at the intersections of different domains of nuclear physics to exchange ideas and results. The conference will feature plenary talks and invited presentations. Young researchers will have the opportunity to present their research through oral and poster presentations. The conference is organized by the Department of Physics and Astrophysics, in collaboration with Sri Aurobindo College and Hans Raj College University of Delhi and will be held at the Conference Center, University of Delhi, Delhi, India.

Topics of the Conference

- Nuclear Structure - Nuclear Astrophysics
- Nuclear Reactions - Fundamental Symmetries
- Nuclear Instrumentation,
- Accelerator developments and future Accelerators
- Applications of nuclear physics and technologies (e.g. in energy, health, material science, space, environment, etc.) for societal development.
